

Solution to Study 0057

Please state true or false to the statements below:

1. The essence of prophecy is to make us feel good about ourselves. **FALSE**
2. Prophets have been given to the believer in Christ, to give him advance information of business opportunities and economic downturns, so that he can take advantage of such warnings. **FALSE**
3. Having completed a church building, the next phase is to enjoy ourselves. **FALSE**
4. As long as you are attending church services regularly, it does not really matter what you do, all will be well. **FALSE**
5. Repentance is telling God that although you are going in a wrong direction, He should show compassion, and bless the wrong way, since you have gone far, and it will take a lot to turn back. **FALSE**
6. Restitution is an Old Covenant Era matter, and does not apply to New Testament believers. **FALSE**
7. Studying the bible everyday can be burdensome, so it is understandable if we take a vacation from personal bible study, every now and then. **FALSE**
8. Since a backslider had repented before backsliding, it is not necessary for him to repent again; all that is needed is for him to resume church attendance, and all will be well. **FALSE**
9. Once you are in church you are protected from the devil. **FALSE**
10. Worship takes place on Sundays only when we attend church; hence, Sunday service should never be missed. **FALSE**
