

Solution to Study 0091

1. Who is a Christian?

A Christian is a disciple or follower of the teachings and lifestyle of Jesus Christ (**Acts 11:26; John 8:31**); one who has already been washed, justified, and sanctified (**1 Corinthians 6:9-11**); and, is led by the Holy Spirit (**Romans 8:5-14; Galatians 5:16-25**).

2. What is the Marketplace?

It is any place where we interact with people; men and women of all works of life and persuasions (**John 17:15-16**). It is the place of concourse or the gathering of people in a public place (**Proverbs 1:20-21**). When strictly applied, the Marketplace excludes the Church—a gathering of those who believe in Jesus Christ as Lord and Saviour—or the Lord's vineyard (**Matthew 20:1-7; 21:12-13**).

3. What principles should govern a Christian in the Marketplace or how should a Christian conduct himself/herself in the Marketplace?

A Christian's primary focus in the Marketplace is to seek to please and glorify God, by doing His will, which is achievable only when the Christian yields himself/herself completely to the Holy Spirit, and allows Him to live in, and through the Christian (**1 Corinthians 6:12-20; 7:23; 2 Corinthians 5:15; 1 Corinthians 10:31; Matthew 15:13-16**).

4. Please, carefully and critically study **John 8:31-59**, and note your observations.
